

Ligjerata 6b

Puna mekanike e rrotullimit

$$A = F_t \cdot s$$

$$A = F_t \cdot \varphi \cdot r$$

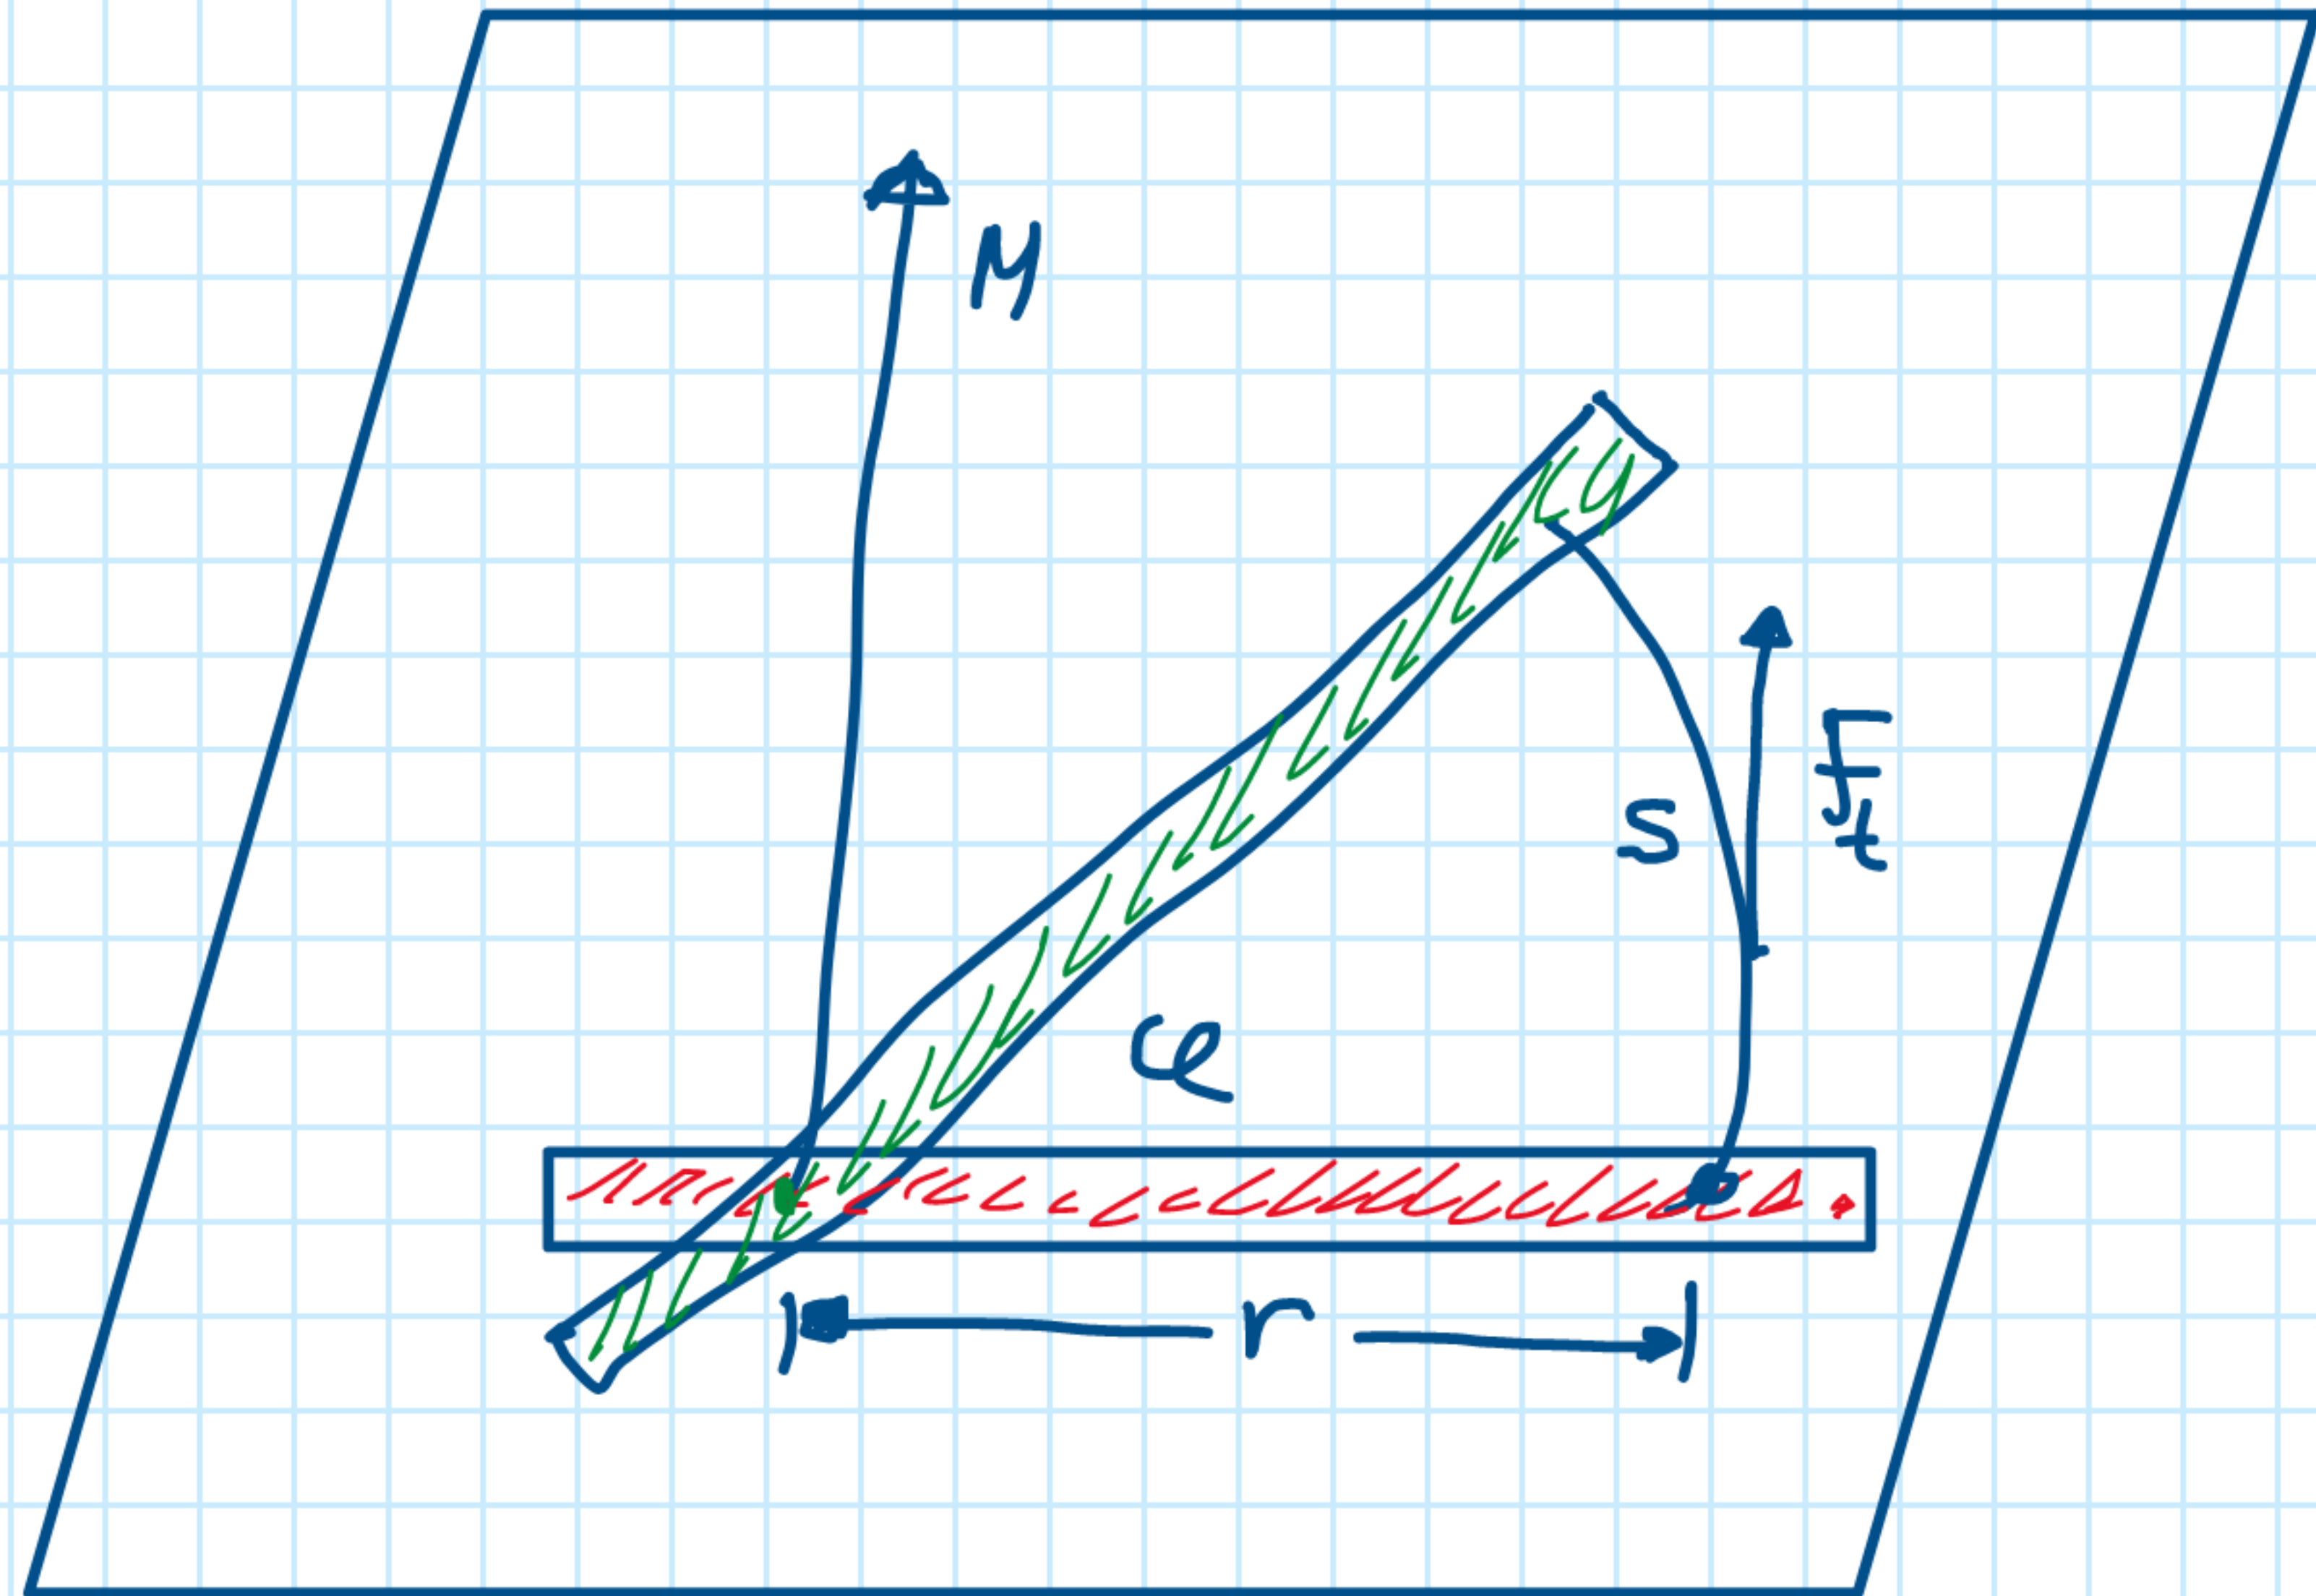

$$M = F_t \cdot r$$

$$A = M \varphi$$

$A \rightarrow$ puna mekanike

$M \rightarrow$ momenti i forcës

$\varphi \rightarrow$ zhvendosja këndore.

$$\varphi = \frac{s}{r} \rightarrow \boxed{s = \varphi \cdot r}$$
